Re: Patent Number Application 6,214,224 – Issued April 10, 2001 for
FILTERED SHOWERHEAD – Our File No. 99877

Dear Cecilia and Marietta:

We received the attached copy of a refusal to enter a certificate of correction in this patent.

The refusal was sent to my old address and only recently found its way to me at my new office.

I understand the refusal to enter the proposed deletion of "therein" in claims 11 and 16. However, as shown in the further attached copy of the proposed certificate of correction other errors appeared in these claims 11 and 12, as well as in claim 1. These other errors were not mentioned in the refusal. Therefore, it is believed that the other corrections should be entered. That is, deleting "a" and inserting "the shower filter comprising" in line 39 of column 4 (claim 1), line 44 of column 5 (claim 11) and line 32 of column 6 (claim 16). And, since "held" is not used in claim 1 (column 4, lines 34 and 35) the deletion of "therein" in lines 34 and 35 of column 4 should be made.

Sincerely,

Klein, O'Neill & Singh, LLP

Re. Request for Certificate of Correction

Consideration has been given your request under the provisions of Rule 1.323.

The proposed change to claims 11 and 16 (i.e. deleting "therein") would result in the following recitations: "having the pivotable inlet held" (claim 11 and 16), and "having a massage head held" (claim 16); thereby rendering these claims grammatically incorrect. Therefore, no correction is in order here under United States Codes (U.S.C.) 254 or 255 and the Code of Federal Regulation (C.F.R.) 1.322 or 1.323.

In view of the foregoing, your request is hereby denied.
